**Commodities:**

- 78101800      Road cargo transport
- 95141600      Prefabricated residential buildings and structures

Tallahassee Community College (hereinafter referred to as "TCC" or "The College") is requesting qualified and experienced vendors (hereinafter referred to as "Respondent", "Respondents", "Vendor", or "Vendors") to submit responses to this Request for Information for Mobile Home Tie-Down Services (hereinafter referred to as "RFI").

Section 215.559, Florida Statutes, established the Hurricane Loss Mitigation Program. A portion of the funding for this program is to be used to inspect and improve tie downs for mobile and manufactured homes. The intent and purpose of the RFI is to gather information about pricing, coordination, and execution of a contract with a qualified vendor to provide windstorm safety enhancements (tie downs) to manufactured/mobile homes and manufactured home communities within their local municipality, city,

county or region. During fiscal year 2017-2018, it is anticipated that approximately 1,250 manufactured/mobile homes will be eligible statewide.

Accordingly, the College seeks to identify a Vendor who can help the College research, design and implement a new component to the Residential Mitigation Program to address the recruitment, coordination, and execution of the scope of work for a large number of individual homeowners without the aid of a Home Owner's Association or organization entity within a local municipality, county, or region. This component of the program will act in conjunction with the current Residential Mitigation Program we have in place addressing Mobile Home Parks and Communities.

Request for Information will be opened at the below address at 02:00 P.M., June 26, 2017.

**Please direct all questions to:**

Bobby Hinson  
 Phone: (850) 201-8520  
 FAX: (850) 201-8506

444 Appleyard Drive  
 Tallahassee FL, 32304-2895
