Industrial printing services

Tallahassee Community College (TCC) is seeking to contract with a qualified, full service printing company to provide as-needed college-wide printing services related to digital imaging, duplicating and print press capabilities. Furthermore, TCC requires that the contractor have the ability to provide a dedicated web portal at no additional cost to TCC for ordering and to perform on demand printing, when required. The College prefers a single Contractor solution to provide print services. However, TCC reserves the right to make a multiple Contractor award if it is deemed to be in TCC's best interest.
