Disclosure of Employee Relationship with Potential or Existing Tallahassee Community College Vendors

ITB/RFO/RFP/ITN# RFQ 2019-01 Purchasing Staff

Solicitation Title: Applications for General Contractor Pre-Qualification

Conflict of Interest Policy:

The District Board of Trustees and Tallahassee Community College (TCC) has established procedures in accordance with the Board of Trustees, policies on conflict of interest of individuals participating in purchasing decision making.

[X] I DO NOT have a relationship with one or more of the proposing vendor's employees, a financial affiliation, or principles.

[] I have a relationship with one or more of the proposing vendor's employees, a financial affiliation, or principles. Include the vendor name and type of relationship below. If you have a relationship with any vendor, include information for each vendor relationship. The types of relationship included:

- Spouse/Partner is employed by vendor.
Financial relationship with vendor.
Personal relationship with vendor employees or the vendor principles.

Table with 2 columns: Company, Type of Relationship (Please Explain)

Definitions:

Spouse/Immediate Family Member/Partner is employed by the vendor: Employee means a paid employee of TCC where the employee's spouse/domestic party, and any firm of which any of those persons is a partner or sole proprietor, as well as any corporation of which any of those persons holds 5% or more stock or ownership either directly or indirectly.

Financial relationship: A financial relationship means a partnership or other commercial relationship involving a joint venture between the faculty or staff member and another person. Examples are: Research Grants, consultancies, honoraria and travel, self-managed equity interest in a company, employment of an immediate family member in a company and/or other benefits or substantial gifts from a company.

Personal relationship: A personal relationship means a relationship with another sufficiently close that a reasonable person would believe that it would be difficult for a faculty or staff member to deal with the person as he or she would deal with a stranger.
