

CLASS OF 2002

Leslie Battiste

Leslie Battiste went on to complete her bachelor's degree at FSU in Mass Communications after graduating from TCC. Believing one's education should be ongoing, she has returned to TCC for various publishing-related seminars and a computer programming course in 1987. Leslie trained at Auburn University in method and work measurement. Leslie courage and willingness to overcome obstacles has been enhanced by dealing with the lifelong challenges of living with cerebral palsy. Her supervisor of 25 years characterizes Leslie's work with the written word as brilliant and says her work generates donations that

exceed all other forms of fund raising at Goodwill. In 2001, Leslie was featured in various media as a Goodwill International Success Story. She left Goodwill in 2010 to open Leslie Communications.
