# Quality Enhancement Plan

- Purpose of the Quality Enhancement Plan (QEP)
- Role of the QEP in the accreditation process
- Determination of the QEP topic
- Next steps for development of the QEP

# Purpose of the QEP

- A carefully designed course of action that addresses a well-defined and focused topic or issue related to student learning and/or the environment supporting student learning and accomplishing the mission of the college

# Role of the QEP

- Core requirement
  - ▶ QEP includes process for identifying key issues emerging from assessment
  - ▶ Focuses on learning outcomes and/or the environment supporting student learning and accomplishing the college's mission

# Role of the QEP

- Comprehensive standard
  - ▶ Demonstrate institutional capability for initiation, implementation and completion of QEP
  - ▶ Includes broad involvement in the development and implementation of QEP
  - ▶ Identifies goals and plan to assess achievement

# Technology and Digital Literacy

- Need is universal
- Constantly moving target
- Requires active, engaged learning to advance literacy skills
- Ensure that students and faculty have skills needed to function effectively in the digital age

# **DIGITAL FOCUS**

FIND, ORGANIZE, CREATE, UTILIZE, SHARE

# Focus Statement

The focus of our QEP is to actively improve student digital literacy across the curriculum by establishing measurable competencies and assessing student progress toward those competencies.

# Focus Statement

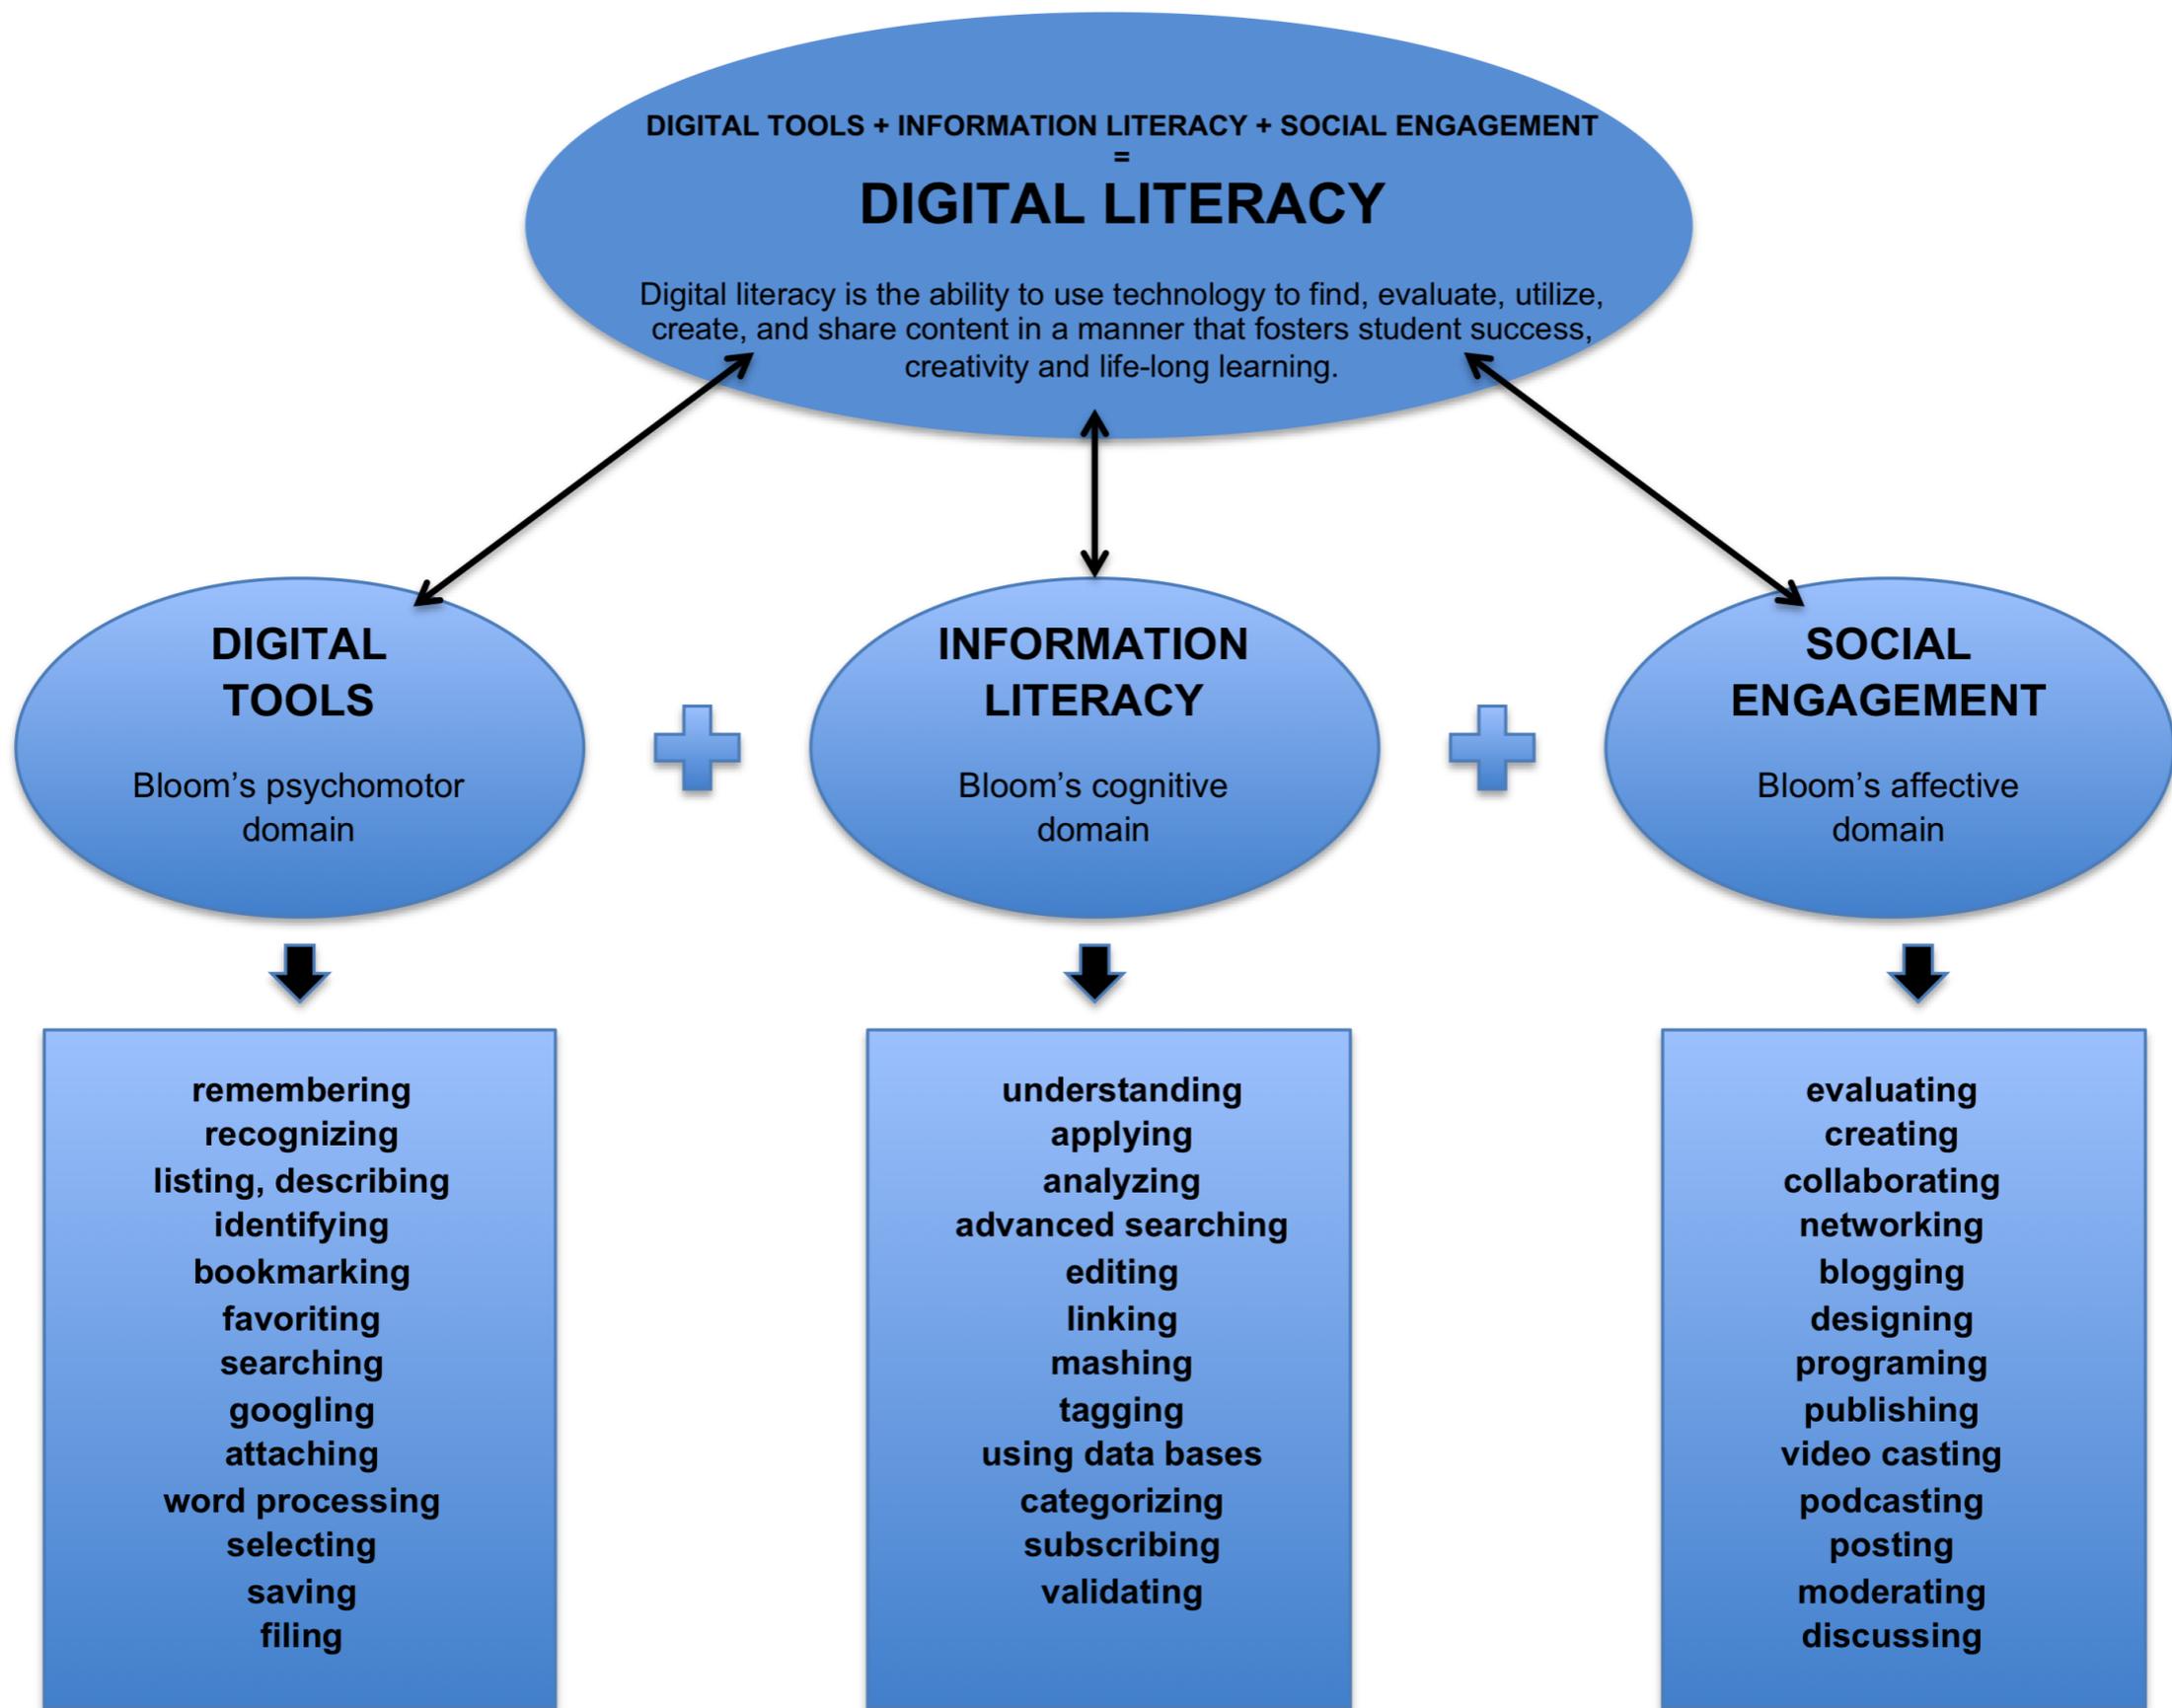

The Tallahassee Community College QEP, *Digital Literacy across the Curriculum*\* presents a framework for engaging students in a technology-rich learning environment, while preparing them for success in a technology-driven world.

# Focus Statement

Simply being able to use technology is no longer enough. Today's students need to be able to use technology to analyze, learn, explore and create. Digital age skills are vital for preparing students to work, live and contribute to the social and civic fabric of their communities.

# What's the best way to develop digital literacy?

# QEP Timeline

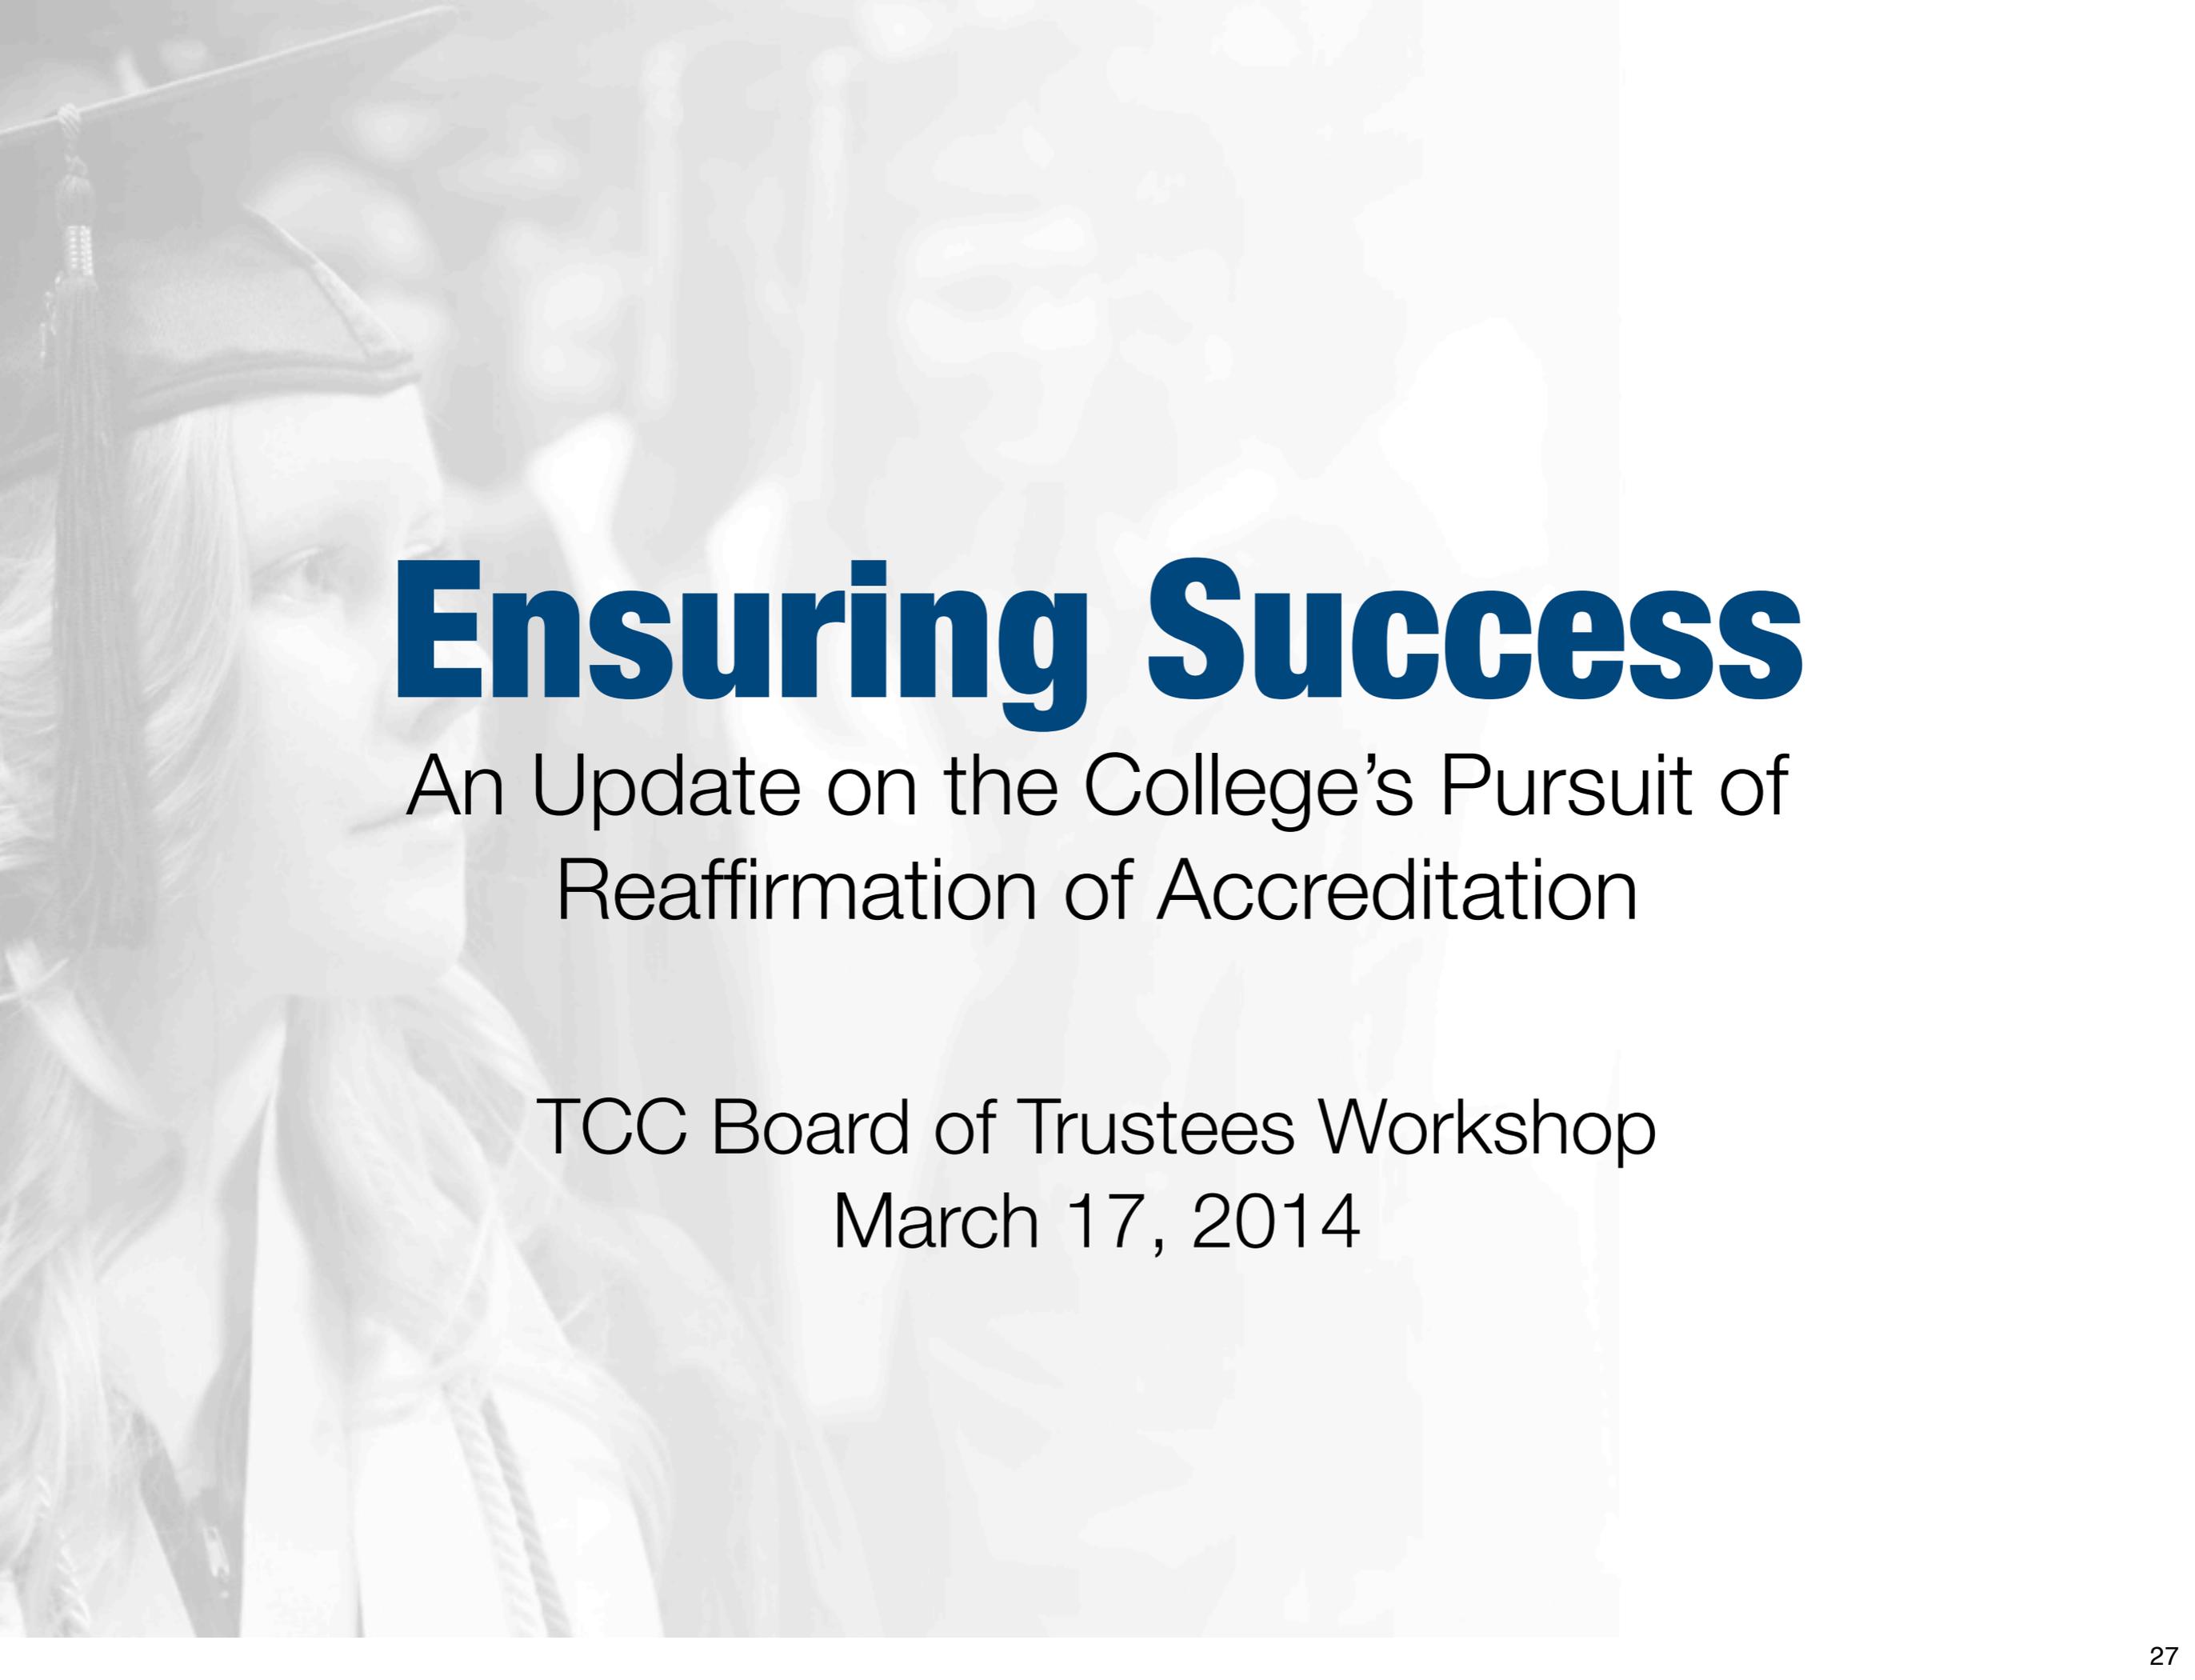

- Spring 2014
  - ▶ QEP Development Committee will complete writing of the QEP
  - ▶ Finished plan will have measurable goals, implementation timeline, budget and resource management strategies
  - ▶ Plan will be marketed across the campus and in the community

# QEP Timeline

- Summer 2014
  - ▶ Subcommittee of the QEP Development Committee will complete final review of the QEP
  - ▶ QEP will be submitted to the SACSCOC in August

# QEP Timeline

- Fall 2014
  - ▶ Digital Literacy Implementation Committee will facilitate kick-off of the plan
  - ▶ QEP will be implemented over the following five years
  - ▶ Formal impact reports are submitted to SACSCOC at the completion of five and ten years
