RE: Naming Dedication – Student Union Food Court

The Foundation would like to request your approval to name the Food Court located in the Student Union to honor Student Housing Solutions' investment.

Student Housing Solutions has been investing in TCC for many years. Through their employees' volunteer efforts with the Foundation, and their fiscal investments supporting scholarships, athletics and other programs, they have made positive impact on student success at TCC. To date, their investment in TCC totals almost \$500,000.

They have made a significant investment in the **TCC. WE RISE.** campaign with a donation of \$500,000 – bringing their total investment in TCC to \$1,000,000. These funds will be used to support housing scholarships, classroom renovations and other student success projects.

We have consulted with them and suggest the following to the President of Tallahassee Community College and the TCC District Board of Trustees for the name:
