**RE:** Naming Dedication – Advanced Manufacturing Training Center

---

The Foundation would like to request your approval to name the Advanced Manufacturing Training Center to honor Kim Williams.

Kim Williams, a TCC alumni, has been a staunch supporter of workforce development in our community for many years. As Chamber President and EDC Chair, he has often led the charge to ensure that we have robust manufacturing and training learning opportunities that can in turn support our local economy. He has often touted the impact of TCC's Advanced Manufacturing Training Center as a wonderful tool for positive impact.

The 3954 Pensacola Street Partnership, of which he serves as a Managing Partner, is making a significant gift to the college to honor Kim's work in this area. We have consulted with them on this honor, and suggest the following to the President of Tallahassee Community College and the TCC District Board of Trustees for the name:

**The Kim B. Williams Advanced Manufacturing Training Center**
