SUBJECT: Collective Bargaining Agreement

Item Description

This item is the Collective Bargaining Agreement (CBA) between Tallahassee Community College and the United Faculty of Florida - TCC chapter (UFF) for fiscal year 2022-2023.

Overview and Background

After the full-time faculty, counselors and librarians voted to unionize in 2016, TCC and UFF negotiated for two years before coming to an initial tentative agreement on September 13, 2018. The first CBA was approved by the District Board of Trustees on October 22, 2018. The current CBA for fiscal 2021-2022 was approved on February 22, 2022, with an effective end date of June 30, 2022 or until a new agreement is approved and ratified.

In April 2022, TCC and UFF began negotiations for a new agreement and after several meetings TCC received confirmation of UFF's acceptance and ratification vote for the presented 2022-2023 CBA.

Funding/ Financial Implications

Upon District Board of Trustees approval, the members of the bargaining unit will receive an increase of 5% to their base salary which was included in the FY 22-23 operating budget.

Past Actions by the Board

The previous CBA for fiscal year 2021-2022 was approved on February 22, 2022.

Recommended Action

Request the District Board of Trustees approve and ratify the CBA between UFF and TCC for current fiscal year 2022-2023.

2. The parties agree not to interfere with the rights of employees to become members of the Union, to refrain from becoming members of the Union, or to terminate their membership in the Union and that there shall be no discrimination, interference, restraint or coercion by the parties against any employee because of membership or non-membership in the Union.

 3. The parties agree that all customary and usual rights, powers, functions and authority possessed by the College, whether exercised or not, are vested and the College shall continue exclusively to exercise such powers, duties and responsibilities. In carrying out its powers, duties, and responsibilities, the College may utilize committees and/or other bodies in a consultative fashion if it so chooses.
 4. The College's failure to exercise any right hereby reserved to it or its exercising any right in a particular way shall not be deemed a waiver of its right to exercise such right nor preclude the College from exercising the same right in some other way not in conflict with the express provisions of this Agreement.
 5. Nothing in this Article is intended as a waiver of the Union's rights under Chapter 447 to bargain over mandatory subjects of bargaining or the impact of changes brought about by the exercise of management rights.

ARTICLE 5 - UNION RIGHTS

1. **Use of Facilities.** The Tallahassee Community College (TCC) Chapter of the United Faculty of Florida (UFF) (TCC/UFF) shall have the right to use College facilities on the same basis as other groups in the community.
2. **Dues Deductions.** The College and UFF hereby agree to the deduction and remittance of UFF membership dues and uniform assessments.
 - A. **Procedure.** During the term of this Agreement, the College agrees to deduct Union membership dues and uniform assessments, if any, in an amount established by the Union, from the pay of those employees in the bargaining unit who individually and voluntarily make such request on a written check-off authorization form.
 - i. **Commencement of Deduction.** Deductions shall be made beginning with the first full pay period following receipt by the College Human Resources Office of a valid check-off authorization form.
 - ii. **Notice of Changes.** UFF shall give written notice to the College of any changes in its dues or uniform assessments at least forty-five (45) calendar days prior the effective date of any such change.
 - iii. **Dues Deduction Amount.** UFF dues are one percent of Faculty base pay. In the event of a change in a Faculty member's base pay, the deduction amount shall be adjusted to match one percent of the new base pay.
 - iv. **Remittance.** The dues and uniform assessments deducted, if any, shall be remitted by the College to the UFF within thirty (30) calendar days following the end of the pay date.
 - v. **Termination of Deduction.** The College's responsibility for deducting dues and uniform assessments, if any, from an employee's salary shall terminate automatically upon either, (1) thirty (30) calendar days following receipt by the Human Resources Office of a written notification from the employee revoking that employee's authorization of deductions, or (2) the discontinuance of the authorizing employee's status within the bargaining unit. The College will provide notice to the Union of any written notification revoking an employee's authorization of deductions within seven (7) days of when it is received by the College.
 - vi. The College shall not deduct any UFF fines, penalties, or special assessments from the pay of any employee.
 - vii. **Insufficient Pay.** In the event an employee's salary earnings within any pay period are not sufficient to cover dues, it shall be the responsibility of the Union to collect its dues for that pay period directly from the employee.

- B. **UFF Responsibilities.** UFF assumes responsibility for all monies deducted under this Agreement and remitted to UFF. UFF shall promptly refund to the College excess monies received under this Agreement.
3. **Access to Information.** The College agrees to make available to the Union records of the College if requested and permitted pursuant to the provisions of Chapter 119, Florida Statutes. At the beginning of each fall and spring semester, the College shall provide the Union with a list of all members of the bargaining unit, and each one's home address (unless exempt under Chapter 119), division in which they work, title, annual salary, email address, and telephone number. Once per month, the College shall provide the Union with the UFF-TCC payroll deduction report. All requests for information shall be responded to in accordance with the College's procedure for public records requests.

The Union agrees to comply with all established rules and procedures for the use of these systems.

ARTICLE 7 - STRIKES

1. The Union agrees not to participate in, nor endorse strikes, picketing, stoppages or concerted failure or refusal to perform assigned work by bargaining unit members covered by this Agreement, while this Agreement is in effect.
2. Any bargaining unit member who participates in or endorses a strike, a work stoppage, picketing, or concerted failure or refusal to perform assigned work shall be disciplined and/or discharged by the College, and the sole and exclusive jurisdiction to review such discipline or discharge shall be provided in the grievance procedure.
3. Picketing, as referred to in this Article, shall mean any action by way of demonstrating which has the effect of preventing or restraining any other employee from coming to work or from continuing to work, or has the effect of preventing or restraining any students, visitors, or others from ingress and egress to College facilities or sites or otherwise impede the mobility of students, visitors, or others to or on any College facility or site. This definition shall not apply to lawful informational picketing. The parties recognize the right of Faculty to engage in informational picketing and other concerted activity that does not impede the rights of others or unlawfully interfere with the College's operations.
4. The College agrees not to lockout bargaining unit employees for the duration of this Agreement.

ARTICLE 8 - GRIEVANCE AND ARBITRATION PROCEDURE

1. In a mutual effort to provide a harmonious working relationship between the parties to this Agreement, it is agreed and understood that there shall be a procedure for the resolution of grievances. Grievances are defined as differences involving the application or interpretation of this Agreement. The grievance procedure is not available for settlement of complaints where the grievant does not assert a violation of some specific provision or provisions of this Agreement. Nothing in this article shall require the Union to process grievances for bargaining unit members who are not members of the Union.
2. The grievance procedure cannot be used by the Union or any employee to dispute a decision by the College not to renew the contract of an employee on annual contract, or to dispute a decision by the College not to award a continuing contract.
3. Time is considered to be of the essence for purposes of this Article. Accordingly, any grievance not submitted or processed by the grieving party in accordance with the time limits provided below shall be considered conclusively abandoned. Any grievance not answered by the College within the time limits provided below will automatically advance to the next higher step of the grievance procedure. Time limits may be extended only by written mutual consent of the parties.

Grievances shall be presented in the following manner:

Step 1: In the event an employee covered by this Agreement believes that there is a basis for a grievance, as that term is defined above, he/she may, within ten (10) working days of the events which gave rise to the alleged grievance, reduce the grievance to writing and submit it to the Dean or Director, with a copy provided to Human Resources. The grievance shall be signed by the employee and shall state: (a) the date of the alleged events which gave rise to the grievance; (b) the specific Article or Articles and paragraphs of this Agreement allegedly violated; (c) the facts pertaining to or giving rise to the alleged grievance; and (d) the specific relief requested. The Dean or Director shall, within fourteen (14) working days after presentation of the grievance, render his/her decision on the grievance in writing to the grievant and the Union.

Step 2: If the grievance is not resolved at Step 1, or if no written disposition is made within the Step 1 time limits, the grievant shall have the right to appeal the Step 1 decision to the Provost or his/her designee within ten (10) working days of the due date of the Step 1 response. Such appeal must be accompanied by a copy of the original written grievance,

and the written decision of the Dean or Director, if provided, together with a signed request from the grievant requesting that the Step 1 decision be reversed or modified. The Provost or his/her designee may conduct a meeting with the grievant and the grievant's Union representative, if agreed upon by the parties. The Provost or his/her designee shall, within fourteen (14) working days after the presentation of the grievance (or meeting, if conducted), render his/her decision on the grievance in writing to the grievant and the Union.

Step 3: If the grievance is not resolved at Step 2, or if no written disposition is made within the Step 2 time limits, the grievant shall have the right to appeal the Step 2 decision to the President or his/her designee within ten (10) working days of the date of the issuance of the Step 2 decision. Such appeal must be accompanied by the filing of a copy of the original written grievance, and the written decision of the Provost, together with a request signed by the grievant or their representative requesting that the Step 2 decision be reversed or modified. The President or his/her designee may conduct a meeting with the grievant and the grievant's Union representative, if agreed upon by the parties. The President or his/her designee shall, within twenty-one (21) working days after the presentation of the grievance (or meeting, if conducted), render his/her decision in writing to the grievant and the Union.

4. Where a grievance is general in nature in that it applies to a number of employees rather than a single employee, or if the grievance is directly between the Union and the College, such grievance shall be presented in writing directly to the Provost within ten (10) working days of the occurrence of the event(s) which gave rise to the grievance. The grievance shall be in writing and shall be signed by the grievant or by the Union representative. The written grievance shall contain the detailed information set forth in Step 1 above. Any further processing of such grievances shall adhere to Step 3 of this Agreement.
5. In the event a grievance processed through the grievance procedure has not been resolved at Step 3 above, the grievant may request that the grievance be submitted to arbitration within fourteen (14) working days after the President renders a written decision on the grievance. The arbitrator may be any impartial person mutually agreed upon by and between the parties. The party requesting arbitration shall request the American Arbitration Association to furnish a panel of seven (7) names from which each party shall have the option of striking three (3) names in alternating fashion, thus leaving the seventh (7th) name, which will give a neutral or impartial arbitrator. Each party may reject two (2) panels.

6. Any grievance filed without the assistance of the Union may proceed to Step 3, however, only the Union shall have the authority to authorize that a grievance proceed to arbitration. Such authorization must be in writing to the College.
7. Bargaining unit members, including Union representatives and officers, shall not permit the investigation or processing of grievances to interfere with their normal work responsibilities. Time spent in such activities shall be outside regular working hours and shall not be counted as time worked.
8. The College and the Union shall mutually agree in writing as to the statement of the grievance to be arbitrated prior to the arbitration hearing and the arbitrator, thereafter, shall confine his/her decision to the particular grievance thus specified. In the event the parties fail to agree on the statement of the grievance to be submitted to the arbitrator, the arbitrator will confine his/her consideration and determination to the written statement of the grievance presented in Step 1 of the grievance procedure. The arbitrator shall have no authority to change, amend, add to, subtract from, or otherwise alter or supplement this Agreement or any part thereof or amendment thereto. The arbitrator shall have no authority to consider or rule upon any matter which is stated in this Agreement not to be subject to arbitration or which is not a grievance as defined in this Agreement; nor shall this Agreement be construed by the arbitrator to supersede applicable state and federal laws. The arbitrator shall have no power to change any policy or rule of the College.
9. The arbitrator may not issue declaratory opinions and shall confine himself/herself exclusively to the question which is presented to him/her, which question must be actual and existing. The arbitrator's decision shall be confined solely to the application and/or interpretation of this Agreement and its referenced documents and the precise issue(s) submitted for arbitration. The arbitrator shall refrain from issuing any statements of opinion or conclusions not essential to the determination of the issues submitted. The standard of proof in all cases will be by a preponderance of the evidence.
10. An arbitrator's award may or may not be retroactive as the equities of each case may demand.
11. Issues of arbitrability shall be bifurcated from the substantive issue(s) and, whenever possible, determined by means of a hearing conducted by conference call. The arbitrator shall have ten (10) working days from the hearing to render a decision on arbitrability. If the issue is judged to be arbitrable, an arbitrator shall then be selected to hear the substantive issue(s). By mutual consent of the College and the Union, the same arbitrator may preside over both the issue of arbitrability and the substantive issue(s).
12. Each party shall bear the expense of its own witnesses and of its own representatives for purposes of the arbitration hearing. The impartial arbitrator's fee and related expense and

expenses of obtaining a hearing room, if any, shall be equally divided between the parties. Any party desiring a transcript of the hearing shall bear the cost of such transcript unless both parties mutually agree to share the cost.

13. Except to the extent that such award is contrary to law or the provisions of this Agreement, the arbitrator's award shall be final and binding on the parties. Either party may, however, seek review of the arbitrator's award in the Circuit Court, in accordance with Chapter 682, Florida Statutes.
14. Unless otherwise agreed to by both parties, grievances under this Agreement shall be processed separately and individually. Accordingly, only one (1) grievance shall be submitted to an arbitrator for decision in any given case. Settlement of grievances before the issuance of an arbitration award shall not constitute a precedent or an admission that this Agreement has been violated.
15. If an annual contract Faculty member is terminated or suspended without pay during the term of an annual contract, the Faculty member may grieve pursuant to this Article.
16. If a continuing contract Faculty member is terminated, suspended without pay or returned to annual contract, the Faculty member may choose to proceed to arbitration pursuant to this Article or to appeal the decision under Chapter 120, Florida Statutes. The election of the Chapter 120 procedure will be deemed an election of remedies and a permanent waiver of the right to appeal the suspension or termination under this Article. If the Faculty member chooses to process the actions identified in this paragraph under this Article, the Faculty member's choice will be considered an election of remedies and an appeal cannot be processed under Chapter 120, Florida Statutes. Consistent with paragraph 2 above, no Faculty member may use this grievance procedure or procedure under Chapter 120, Florida Statutes, to dispute a decision by the College not to renew an annual contract, or to dispute a decision by the College not to award a continuing contract.

ARTICLE 9 - BOARD POLICIES AND RULES

Except as otherwise and expressly agreed herein, if a conflict exists between this Agreement and a Board rule or policy, this Agreement shall prevail. If the Agreement is silent, Board rule or policy shall prevail.

ARTICLE 10 - ACADEMIC FREEDOM

In recognition of the principles of academic freedom, the parties affirm that the Faculty members shall be free of arbitrary limitations on the study, investigation, presentation, or interpretation of facts and ideas as a member of the academic community. Faculty are entitled to freedom in research and in the publication of results, subject to satisfactory performance of their other academic duties. Faculty are entitled to freedom in the classroom in discussion of their subject, but they should be careful not to introduce into their teaching controversial matters that have no relation to their subject. Faculty are citizens, members of a learned profession and representatives of an educational institution. When they speak or write as citizens, they should be free from institutional censorship or discipline, but their special position in the community imposes special obligations. As scholars and educational representatives, they should remember the public may judge their profession and their institution by their utterances. Hence, they should at all times be accurate, should exercise appropriate restraint, should show respect for the opinion of others, and should make every effort to indicate they are not speaking for the institution. Faculty members are entitled to the rights guaranteed under the First Amendment to the Constitution of the United States.

ARTICLE 11 - APPOINTMENT, CONTRACTS AND TERMINATION

1. **Appointment and Orientation.**

- A. All Faculty, Librarian and Counselor vacancies shall be filled through a competitive process. The Provost, in consultation with Human Resources, is the appropriate administrative authority in compliance with SACSCOC criteria and College policy and shall establish minimum criteria for Faculty positions. The Provost will maintain a written procedure, approved by the President, for the hiring process, which may be changed at the discretion of the College.
- B. New Faculty shall be required to attend a paid orientation prior to the beginning of their first Fall contract. Annual contract Faculty shall participate in a seminar series for up to thirty (30) hours per semester for each year they are on annual contract. The topics of the seminar series are at the discretion of the College.

2. **Temporary Appointments.** The President may recommend to the Board of Trustees a temporary Faculty position not eligible for continuing contract. Faculty awarded these positions may be awarded multiple year contracts up to three (3) years, annual contracts or contracts for less than one (1) year. A temporary Faculty position may be rescinded at any time. The President may recommend to the Board of Trustees a temporary Librarian or Counselor position for any period of time up to three (3) years.

3. **Annual and Continuing Contracts.** Established Faculty, Librarian and Counselor positions filled as a result of a competitive hiring process shall be eligible for continuing contract. All initial full-time appointments shall be in a form approved by the State Commissioner of Education, and shall specify in writing the appointment date, expiration date, and salary and whether the appointment is eligible or not for continuing contract. All initial full-time appointments shall be annual contracts, unless it is a temporary appointment.

- A. Individuals on an “annual contract” may have their contract renewed by the Board of Trustees upon recommendation by the President no later than June 1st preceding the academic year for which the contract is to be effective. There is no expectation of reemployment upon the expiration of an annual contract. The President may determine not to renew an annual contract for any reason. An individual whose annual contract is not being renewed shall receive notice of non-renewal by June 1st. Non-renewal of an annual contract cannot be challenged through the grievance or termination procedures provided by this Agreement.
- B. A “continuing contract” is a contract between the College and a Faculty member, Librarian or Counselor which entitles the individual to continue in his or her respective full-time position at the College without the necessity for annual nomination. To be eligible for a continuing contract, the individual must serve a probationary period of five (5) full years at the College during a period not in excess of seven (7) total years. In all cases, such service shall be continuous except for leave duly authorized and granted.

- C. The probationary period may be extended beyond five (5) years but not in excess of seven (7) years total upon the recommendation of the President and approval of the Board of Trustees. The extension of the probationary period beyond five (5) years is not subject to challenge through the grievance procedures. The contract of an individual who is not awarded a continuing contract by the completion of seven (7) years shall not be renewed. The decision to not award a continuing contract cannot be challenged through the grievance or termination procedures provided by this Agreement.
- D. Continuing contract may be recommended to the Board of Trustees by the President for individuals who have received satisfactory ratings on their performance evaluations during the probationary period. Continuing contracts are effective at the beginning of an academic year only.
- E. The following criteria are integral in considering an individual for continuing contract and in the review of their post-award performance. While the following criteria must be satisfied to be considered for the initial award of a continuing contract, the same criteria shall also be used to consider the return of an individual with continuing contract to annual contract.
 - i. Effectiveness in the performance of their duties which include:
 - (a) Engaging in activities for the benefit of the College, including, but not limited to: teaching, student consultation, advising, preparation for teaching, and committee work (e.g., standing committees, councils, ad hoc committees, and department meetings);

- viii. Service to the community.
- ix. Adherence to professional standards of conduct as outlined in Article 27, Discipline, and College policy.
- x. Student success which includes the following:
 - (a) Student retention, and progression to include success in subsequent course(s);

 - (d) Use of student engagement strategies in class;
 - (e) Providing prompt feedback to students which includes but is not limited to return of examinations and papers within one week, frequent graded assignments to assist students in monitoring progress, concrete and constructive feedback and class discussion of results of assignments and examinations;
 - (f) Providing adequate time on task which includes but is not limited to having set due dates for assignments, make-up requirements, time management skill discussions, weekly reading schedules and realistic expectations with relevant assignments;
 - (g) Using the master syllabi as a minimum standard, providing clear course expectations, explanations of consequences for not completing work, and expectations of student participation and success;
 - (h) Referrals to student support services when appropriate including, but not limited to the Learning Commons or virtual support services;
 - (i) Students meeting the program and student learning outcomes; and
 - (j) Employing diverse teaching methods to accommodate various student learning styles and various levels of academic preparation.

- F. Consideration for continuing contract is initiated by the individual who shall provide to their Dean/Director a professional portfolio containing a factual description of the Faculty member's teaching, curriculum, service and professional development strengths and accomplishments. The portfolio will include empirical evidence as well as a self-assessment as detailed by College Policy. The Dean/Director shall consider all of the evaluation materials and make a written recommendation to the Vice President of Academic Affairs/Provost regarding whether the individual should be considered for continuing contract and state the reasons for the recommendation. The Vice President of Academic Affairs/Provost shall make a written recommendation to the President.
 - G. If the Dean/Director fails to recommend the individual for continuing contract, the individual may appeal to the Vice President of Academic Affairs/Provost. If the Vice President of Academic Affairs/Provost agrees with the Dean, the individual may appeal to the President. The decision of the President is final and cannot be challenged through the grievance and arbitration process or termination procedures provided by this Agreement.
 - H. If the Dean recommends the individual for continuing contract, but the Vice President of Academic Affairs/Provost disagrees with the Dean's recommendation, the President shall review the decision. The decision of the President is final and cannot be challenged through the grievance or termination procedures provided by this Agreement.
 - I. If the President concurs with the Vice President of Academic Affairs/Provost's recommendation that the individual be awarded a continuing contract, the President shall recommend this action to the Board of Trustees. The decision of the Board of Trustees is final and cannot be challenged through the grievance or termination procedures provided by this Agreement.
 - J. Individuals on continuing contract shall have a bi-annual performance evaluation. They shall submit a post-award professional portfolio every five (5) years that shall be reviewed by the supervising Dean/Director. The purpose of the post-award professional portfolio is to demonstrate continued achievement of the standards set for the initial award of continuing contract (subsection E. above) and to demonstrate continual growth and development in the Faculty member's discipline area.
4. **Dismissal of an Individual During the Term of an Annual Contract, Dismissal of an Individual with a Continuing Contract or Return of an Individual with Continuing Contract to an Annual Contract.** Upon recommendation by the President, the Board of Trustees may dismiss or return to annual contract an individual on continuing contract for failure to meet post-award performance criteria or for cause. Upon recommendation by the President, the Board of Trustees may dismiss an annual contract individual during the term of the contract for cause.
- A. The President shall notify the individual in writing of the recommendation for dismissal or return to annual contract and the reasons for the recommendation.

Upon approval of the recommendation by the Board of Trustees, the employee shall have the right to appeal the decision pursuant to the provisions of paragraphs 16 or 17 of Article 8 Grievance and Arbitration Procedure, as appropriate.

Article 28 regarding Reduction in Force will apply and any alleged violations of Article 28 can be challenged through the grievance and arbitration procedure.
6. **Administrators Holding Continuing Contracts as Faculty Members.** Faculty members who hold continuing contracts at the College and accept an appointment to an Administrator position shall be placed on leave-of-absence status from their continuing contract for a period not to exceed five (5) years. After the five (5) year period has expired, the leave-of-absence status from continuing contract shall expire. During the five (5) year period, such persons may revert to their continuing contract status if they are otherwise eligible in the event that they are not reappointed to their administrative position or if they opt not to accept such appointment. If they revert to their continuing contract status, they will be considered for assignments for which they are qualified in the same manner as all other continuing contract Faculty in their discipline. If no position exists, the Faculty member's position could be eliminated pursuant to section 6 of this Article or Article 28, Reduction in Force. Dismissal from an Administrator position for cause would constitute a reason for not being eligible to return to a Faculty position. Dismissal from an Administrator position does not invoke any of the hearing processes set forth in section 5 of this Article or the grievance procedure set forth in this Agreement.

ARTICLE 13 - WORK RESPONSIBILITIES

1. **Standard Teaching Load.** A standard teaching load is an assignment for a teaching Faculty member to be in an assigned space, for an assigned cumulative amount of time, which will satisfy the Faculty member's contractual obligations. A standard teaching load may include evening assignments, online/hybrid course(s) and/or an independent study course(s). Where the needs of the program permit, the College shall limit evening and weekend assignments to one (1) section per week. However, this clause shall not prevent a Faculty member from accepting additional evening and/or weekend assignments.

In Fall and Spring semesters, each full-time Faculty member shall teach a minimum of fifteen (15) contact hours per week per semester concurrent with a nine-month contractual status (Florida Statutes, § 1012.82). In cases where course contact hours are not an even factor of fifteen (15), Faculty may teach up to eighteen (18) contact hours. Course contact hours will be calculated at a ratio of 1:1 when determining the standard teaching load. Each Faculty member shall normally work a nine-month contract, not to exceed 169 duty days during the Fall and Spring semesters (excluding state approved holidays). This is the standard Faculty contract length.

Faculty in specific health-related programs and other academic programs which require the duties and responsibilities of full-time Faculty members may receive an extended contract if their work assignment is expected to exceed 169 days.

Faculty have non-teaching duty days that are included in their contract and are identified on the Academic Calendar. Faculty who cannot be available for these non-teaching duty days must submit a leave request form to the appropriate Dean or Director. Faculty will hold office hours and must be present to perform other non-teaching, instructional duties including, but not limited to, advising students, attending to professional development activities, or participating in other departmental or College activities, even if classes are not held.

The standard contract for Librarians is twelve (12) months. The standard contract for Counselors is twelve (12) months.

2. **Work Reassignments.** Reassignment is the temporary freeing of a Faculty member from teaching workload responsibilities to accomplish specific duties as required by the College. Reassignments are created and granted at the discretion of the College.

The College may initiate reassignment for a specified beginning and end time, for a clearly defined purpose and to accomplish measurable outcomes. The purposes for reassignment include:

- A. Undertaking duties that are beyond the scope of Faculty's regular work responsibilities; and,
- B. Doing work which is necessary to advance the larger goals and mission of the College which will not otherwise be accomplished through existing personnel working under current job descriptions.

Faculty are under no obligation to accept these assignments.

The College will also grant reassignment for the positions of Program Chair and Lead Faculty to provide Faculty leadership of programs and/or departments within academic divisions.

The maximum reassignments per semester shall not exceed forty percent (40%) of the standard teaching load. Reassignments and any exceptions to the maximum reassignments requires the approval of the Vice President of Academic Affairs/Provost and appropriate Dean or Director at least sixty (60) days prior to the beginning date of such reassignment.

3. **Faculty Work Hours and Responsibilities.** Faculty members may have teaching assignments both on and off campus, day and evening, and at times, on the weekends. Faculty members are professionals whose jobs require forty (40) or more hours of professional services to the College each week over five (5) consecutive calendar days. Twenty-five (25) hours shall be scheduled and the remaining fifteen (15) hours shall be used for College service and related professional activities. Prior to each academic year, full-time Faculty shall develop annual goals with their Deans. These goals shall include all components of the Faculty member's workload responsibilities.

The components of Faculty workload responsibilities include: (a) instructional and office hours – twenty-five (25) hours per week; (b) professional development – three (3) hours per week (on average); (c) College service – eight (8) hours per week (on average); and, (d) Faculty advising – four (4) hours/per week (on average). As professionals, Faculty are not required to “clock-in” for these duties and it is recognized that these are minimums and that many Faculty devote more time to College activities and responsibilities.

- A. **Instructional and Office Hours.** The College shall establish a course schedule which meets the needs of students. Deans, Program Chairs and/or Program Lead Faculty will work with Faculty members to fill scheduling requirements and establish individual schedules which meet the needs of the students. It is the responsibility of the College to assign Faculty members to teach courses in their respective academic disciplines at times and locations and/or in instructional formats which meet the needs of students.

Faculty must provide for a total time of at least twenty-five (25) hours in an instructional capacity, being available to and working with students in the classroom, directing lab activities and through office hours. These hours must be scheduled at times reasonably convenient for students and clearly designated as hours during which Faculty members shall be available for student appointments. Faculty members are to be available to students during classroom contact and on-campus office hours. Office hours may be adjusted for assignments during non-traditional academic terms (i.e., less than sixteen (16) weeks), online/hybrid and clinical courses to meet student needs. Any adjustments must be pre-approved by the Faculty member's Dean.

Office hours denote regularly scheduled time periods during which Faculty shall be available for one-on-one consultations with students outside of a classroom setting, to provide instructional program related or similar academic assistance to students as needed.

- i. Office hours shall be scheduled on campus in the Faculty member's office. Faculty members may use a classroom or other appropriate campus locations (e.g., clinical settings). The availability and location of office hours must be mutually agreed upon and approved by the Dean, and provided in writing to the Faculty member's students and Dean and posted in the College's Learning Management System by the end of the first week of class.
- ii. Each Faculty member shall publish and maintain a total of ten (10) office hours per week during each semester of the academic year.
 - (a) At least five (5) of these office hours shall be scheduled in minimum increments of thirty (30) consecutive minutes over a period of not less than five (5) days. Classrooms shall not be the primary location for office hours. Classrooms may only be used for this purpose if the Faculty member is assigned to that classroom immediately before and after the office hours, and only if the classroom is not needed for class scheduling.
 - (b) Faculty teaching online may schedule one (1) office hour online for each class taught online. In the event the Faculty member's entire program and/or load is comprised of online courses, the Faculty member shall be permitted to schedule a maximum of fifty percent (50%) of office hours online.
 - (c) Faculty whose instructional assignments include Health Sciences for which clinical or field experiences are required of participating students shall be permitted to schedule a maximum of fifty percent (50%) or five (5) of their required office hours at the clinical or field site, in addition to their required clinical instruction hours.
 - (d) Faculty shall be available to students during normal College business hours and by appointment.
 - (e) If Faculty members cannot meet their established office hours, they must post notice to students within the College's Learning Management System and at their office location. In addition, a copy is to be sent to the Dean confirming office hours have been cancelled during the week. Any cancellations of office hours require make-up hours for the student time missed, or the Faculty member must take an equivalent amount of personal leave.
 - (f) Due to contact hour variation among disciplines, some Faculty members may be required to teach beyond fifteen (15) contact

hours to meet their teaching load. In such cases, Faculty members whose normal teaching load exceeds fifteen (15) contact hours, but who teach less than five (5) classes shall utilize up to five (5) office hours to compensate for each hour taught over fifteen (15).

- (g) In emergencies or other unusual circumstances, the Vice President of Academic Affairs/Provost or his/her designee may approve exceptions to the published schedules for individual Faculty members.

B. Professional Development. College funding for professional development may be available and is not guaranteed. The general guidelines for Faculty professional development are as follows:

- i. Faculty will identify professional development/training needs at the start of each academic year. Since it may not always be possible to identify needs at one particular time of the year, Faculty members are encouraged to notify their Dean as soon as they become aware of professional development/training opportunities to consider.
 - (a) The common deadline for submitting professional development requests shall be established by the Vice President of Academic Affairs/Provost's office each academic year.
 - (b) All travel requests must be submitted for approval at least eight (8) weeks prior to the event when possible. Spend Authorizations shall be submitted within two (2) weeks of approval.
- ii. Professional development funds may be used to promote focused initiatives and help meet the strategic goals and objectives of Academic Affairs and the College. These funds cannot be used for purposes other than expenses associated with professional development activities.

Pre-approval for any professional development activity is required by the Faculty member's Dean and Vice President of Academic Affairs/Provost if appropriate. All travel plans associated with professional development and training opportunities are to be discussed with the Faculty member's Dean prior to submission of any paperwork.
- iv. The Vice President of Academic Affairs/Provost approves all professional development involving out-of-state travel prior to registration for the activity or incurring any travel-related expenses.
- v. The availability and quantity of professional development funds may vary due to limitations in the College budget. Consequently, Faculty members

are advised that requests for activities may be partially funded, limited to one (1) activity per year or possibly denied. Professional development opportunities at the Division level will be funded for events that have direct and measurable impact on campus goals/initiatives, strategic objectives and/or student success and completion. Additional cost, beyond that which is approved is the responsibility of the requester.

The College recognizes the financial impact that the cost of textbooks has upon students. Faculty shall make every effort to help control student costs by seeking the most economical options, and utilizing all required texts. In addition, Faculty shall use the following considerations when selecting texts (FAC 6A-14.092):

Faculty members shall establish College-wide standardization of textbooks. Any exceptions shall be approved by the Provost prior to use.

The Faculty member shall, as soon as practicable following the end of the class meeting in which the action was taken, report the matter to their immediate supervisor. The Faculty member shall also report the matter to the Office of Judicial Affairs, who shall act upon the complaint and report the result of the investigation to the Faculty member as soon as possible. Student violations of the Student Code of Conduct, including classroom disruptions, will be investigated and acted upon in accordance with Board Policy 5200, Student Code of Conduct.

1. **Family Members.** In order to protect both Faculty members and students from real or apparent conflicts of interest, students will avoid enrolling in classes taught by their spouse, domestic partner, parent or immediate family member. However, in small departments or specialized programs or courses, this avoidance may not always be possible. In any case in which a Faculty member plans to teach a class in which a related person is enrolled, the Faculty member shall seek approval from the Provost prior to the class start date.
 - A. Should the Provost agree that alternatives have been exhausted and an exception is warranted, another member of the department shall be asked to oversee evaluation of the student. Such oversight shall include reviewing the work of the student being evaluated and comparable work by one or more other students in the class.

Any exceptions to this policy must similarly be requested of the Provost in advance.

2. **Outside Employment.** The primary responsibility of Faculty is the full and competent performance of all assigned duties. The College and the public have a right to expect sufficient dedication of time, energy, and talents to accomplish the requirements of each position. At the same time, the College recognizes the value to its Faculty, to the College, and to the community of the many types of external experiences.  - B. Inhibit the Faculty member's performance of duties and responsibilities at the College; or,
 - C. Interfere with the College's core hours of operation, Monday through Friday, 8:00 a.m. to 5:00 p.m.

Requests for outside employment must be submitted to the Dean prior to employment. If the employment is an ongoing activity, it must be submitted annually by September 1st of each year. Such requests must include the employer, dates of employment, hours of employment, position title and brief description of job duties. It is the responsibility of the Dean to review the submission for conflicts or concerns and to raise any concerns to the

Vice President of Academic Affairs/Provost. The President or his/her designee shall review all requests for outside employment. If approved by the President or his/her designee, the recommendation shall be forwarded to the Board for review and approval.

The Dean shall set the time and date of the classroom observation associated with the evaluation process and will provide the Faculty member with at least one week's notice. Classroom observations may also be made at other times of the academic year and outside of the evaluation process when determined necessary by the Dean or Director.
 - C. When a classroom observation is requested by the Faculty member, the Faculty member and Dean shall determine a mutually agreed upon date. In every case, results of the observation shall be written in the evaluation and provided to the Faculty member.

A Faculty member on continuing contract whose annual review indicates any area of concern related to Faculty responsibilities or evaluation criteria shall develop a PIP to address that concern in the following year. The PIP shall be developed and written by the Dean and approved by the Provost. It shall include specific performance objectives and timelines designed to assist the Faculty in meeting the stated expectations.

If the next annual review indicates the objectives have not been addressed, a post-award evaluation will be required. This evaluation will be in addition to the regularly scheduled five (5) year post-award evaluation. Additionally, the supervisor may require a post-award evaluation if intermittent concerns occur between five (5) year post-award evaluations.

The College is authorized to increase compensation up to twenty percent (20%) of the current base salary. Such compensation may be a one-time payment, a temporary increase, or an increase to the base salary at the College’s discretion.
