

# Enrollment Update

## Board Workshop Takeaways September 2024

- Fall 2024 credit enrollment at Tallahassee State College significantly increased – headcount is up 7.2% and credit hours are up 9.1% over fall 2023.
- First-time-in-college (FTIC) students increased by more than 6%, and dual enrollment increased by 9.1%
- Enrollment in the Aspire program (transfer to Florida State University) increased by 10.3%.
- Credit enrollment increase is due in large part to new programs and a 4.8% increase in course success rates which indicates strong persistence in students.
- Enrollment in clock hour Career and Technical Education (CTE) programs has also increased by 21.1% over prior year.
