What you need to ID sheet – Ventricular System Cast Model

This sheet tells you what you need to be able to identify on this model – check the "to know" sheet for anything else you may need to know about this topic.

You are ***done*** with this model when you can identify ***all*** of the following structures:

aqueduct of midbrain (= mesencephalic aqueduct = cerebral aqueduct)
choroid plexus
fourth ventricle
interventricular foramen
lateral apertures (L & R)
lateral ventricles (L & R)
    anterior horn
    inferior horn
    posterior horn
median aperture
third ventricle
